Introductory, 1907

TO OUR PATRONS:

We again come to you with the latest, most complete and careful compilation of Bloomington residents that has ever been made. Few people can realize the amount of work necessary to get out a book of this kind, nor the number of changes that take place while the volume is in process of making. To overcome this, we have taken care of all changes up to the time of going to press and have completed the book in the shortest time possible—three weeks after our last names were taken.

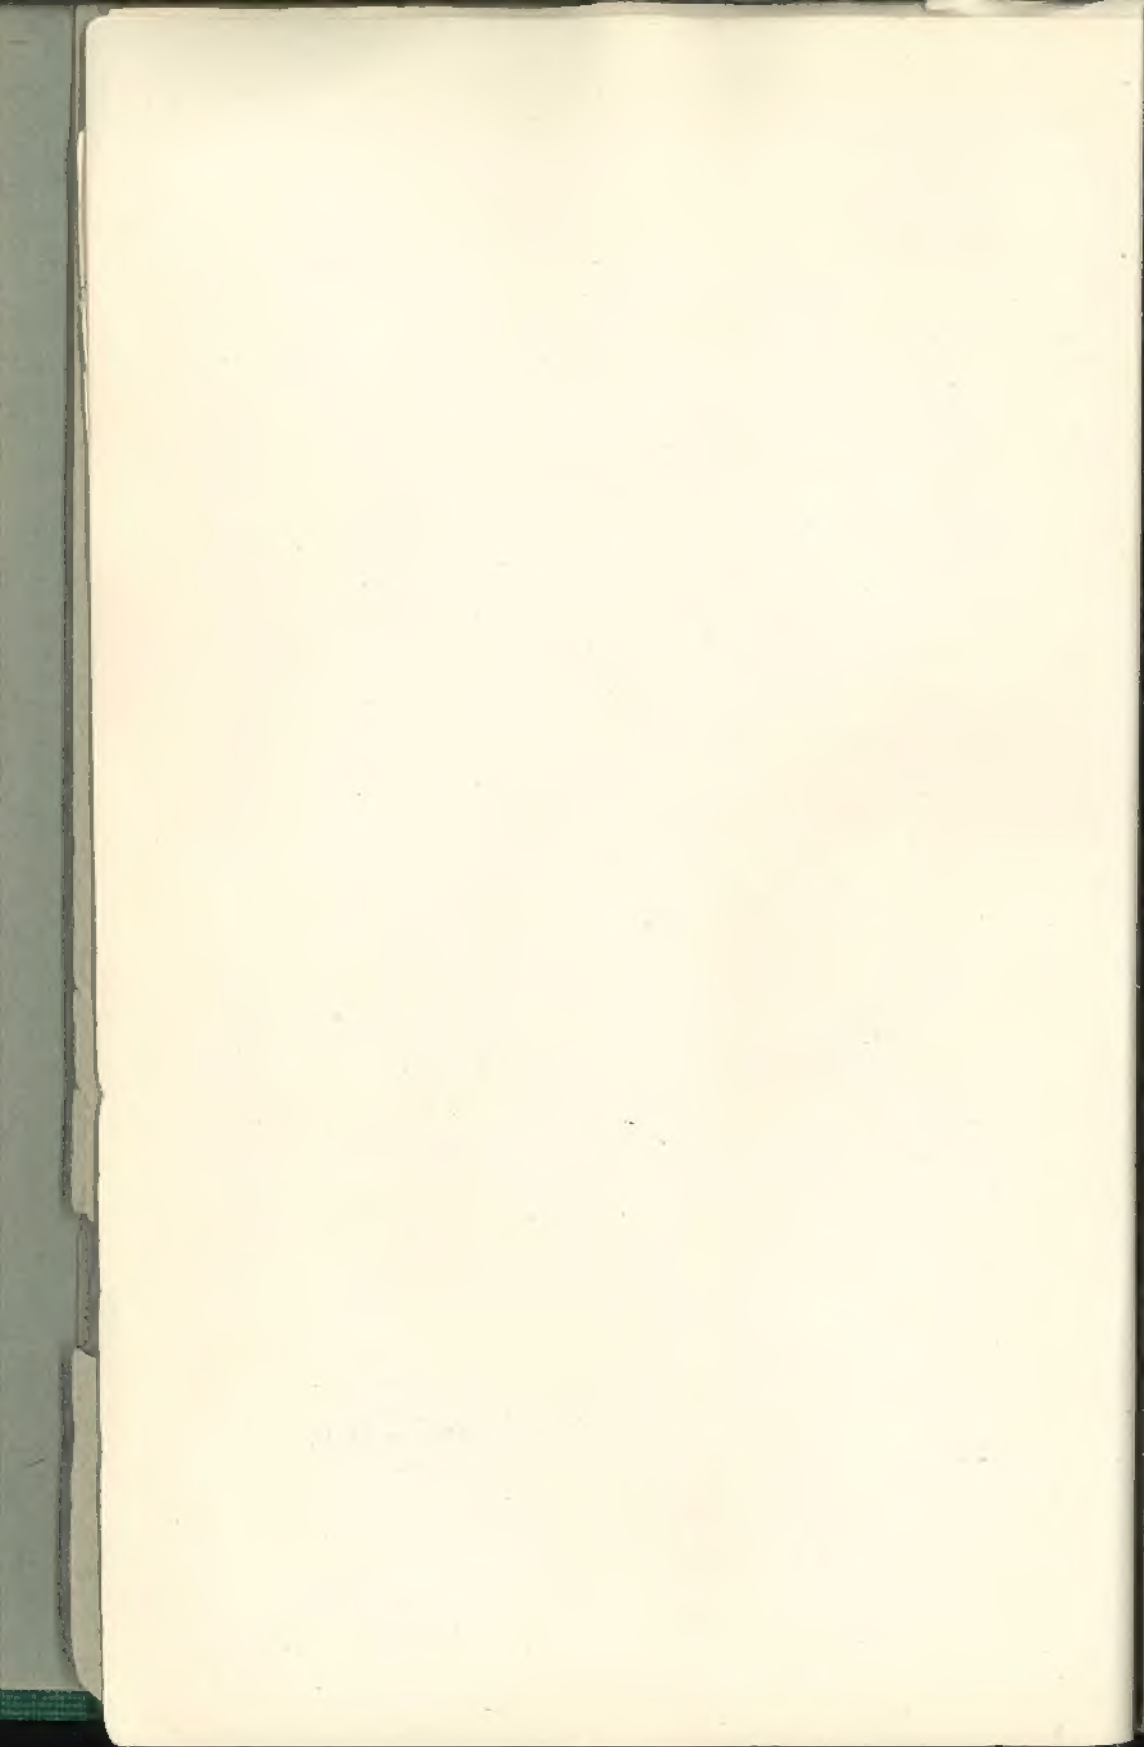

The population of Bloomington, according to methods used by directory publishers, is 43,141. Deducting 5,200 claimed for Normal, leaves 37,941 and shows a steady, determined growth.

We are grateful for the patronage which has made this volume possible, and trust it will prove most useful to our subscribers and to the advertisers.

Very truly yours,

Pantagraph Ptg. & Sta. Co.

Have You Observed

That nearly all people in the world wear clothes?

That it is only among cannibals that they are considered a superfluity?

That it is only in Macedonia and the Balkans that men wear skirts and the women trousers?

That the men in America are the best dressers in the world?

That in this country good tailors and an all wise Providence have so arranged that a man on a moderate salary can keep himself about as well dressed as a man with a million?

We make clothes that fit. We also carry a line of the finest ready-to-wear clothing at moderate prices.

Reasons Why We are Growing

We tell you the *exact date* we will *make complete delivery*,

You can arrange to use it at that time, for we never disappoint.

Under no circumstances do we make a promise we cannot fulfill.

We would much rather refuse your order than to misrepresent.

We use Queen City Printing Ink Co.'s celebrated brand of inks.

These are a few of the many reasons our business is to-day as large as that of all other job printing offices in Bloomington combined.

Try us on a quick, difficult order.

Reasons Why We are Growing

We tell you the *exact date* we will *make complete delivery*,

You can arrange to use it at that time, for we never disappoint.

Under no circumstances do we make a promise we cannot fulfill.

We would much rather refuse your order than to misrepresent.

We use Queen City Printing Ink Co.'s celebrated brand of inks.

These are a few of the many reasons our business is to-day as large as that of all other job printing offices in Bloomington combined.

Try us on a quick, difficult order.

MECHANICAL TOOLS

THE KEISER-VAN LEER CO.

The Sudduth Pear

THE trees bear early, annually and abundantly, attain enormous size and age, have stood an eighty years test, and have never been known to blight. The original tree is eighty-five years old, fifty-five feet high, ten feet in circumference, has often borne eighty bushels in a single season, and for eighty years has not failed to bear an abundant

crop each season. The beautiful symmetrical shape of the trees makes them very desirable for ornamental purposes, growing as fast as a soft maple and making as beautiful a tree as a hard maple.

A complete history of this marvelous fruit, also our wholesale price-list of general nursery stock, mailed free.

Our rough dry family wash department is A1 in every respect. We can wash, starch and dry your family wash cheaper than you can do it at home.

Good Service

OUR SUPERIOR EQUIPMENT AND
SPLENDID ORGANIZATION
IS ADMITTED

IN ADDITION to good service we offer you the advice of trained men at the head of each department whose ideas about printing, binding, and kindred trades have been gathered during years of service in the business.

We get most of our business outside of Bloomington; customers come to us by mail to get the advantage of our superior service.

Without this intimate knowledge of our customers' needs it would be impossible to keep up this immense establishment in your midst, by far the largest in the state outside of Chicago. If you have been overlooking this service hadn't you better stop and think about it.

Our pay roll averages over \$1,000 per week the year around, and some of it in the course of business gets into your hands.

It costs you no more to do business with us than with other houses in the country, quality and service taken into consideration.

No job too large for our plant, none too small to receive our careful thought and prompt attention.
